Join Lisa for a delightful journey into the art of quilting on a small scale. Whether you're a seasoned quilter or a complete beginner, this class is designed to ignite your creativity and provide you with the skills to create exquisite, pint-sized quilts that are sure to impress. Master the art of accurate piecing to create flawless, intricate blocks, ensuring that your miniature quilts come together seamlessly!!

WEDNESDAY MAY 8th

(W-01) DYNAMIC DRESDENS

With **SUSAN CLEVELAND**

½ Day Class, Wednesday, 9-12

Demo/Lecture

Level: All

Class Fee: \$60.

Lively, detailed demos will show you how to create contemporary or traditional Dresdens while avoiding the typical hazards that have frustrated many quilters in the past. Tips will be shared for taking advantage of specialty tools and without specialty tools. Dresden units will lay flat with beautiful points ... without applique centers! Dresdens create wonderful opportunities for fussy-cutting special fabrics to create spinning or kaleidoscopic effects. Dresdens may be cut from pieced strips to show layering effects. We can even insert piping into wedges for more layering effects and use ghost wedges to fool the eye! You'll learn the Dresdens Over The Edge finish and a traditional finish so your quilts can be tailored to your preferences.

(W-05) PRECISION & PANACHE

With **SUSAN CLEVELAND**

½ Day Class, Wednesday 5:30-8:30

Demo/Lecture

Level: All

Class Fee: \$60.

Via live (and lively) projected demos, learn to add eye-catching details to quilts and increase accuracy by precise piecing, decorative threads (for quilting and applique), piping in seams, fancy prairie points, embellishing, skinny borders, and helpful tools. Lots of quilts will be displayed showcasing these fantastic techniques.
